STARSCOPES

TAKE THE GUESSWORK OUT OF VALENTINE'S DAY GIFT-GIVING. BY ADIAN CAINE

AQUARIUS the water-bearer

(January 20 to February 18)

Anal rententive-ness blurs your creative vision. You are over-anal-yzing everything that comes into your heart. Loosen up a bit!

ANEROS
(made for men but also enjoyed by women)

\$79.99

TAURUS the bull

(April 20 - May 20)

Your feeling slow-steady-go as usual for your valentine, but ta-da! Uranus

whips up some spontaneity in flavorful doses!

CHOCOLATE BODY FROSTING
\$29.99

LEO the lion

(July 23 - August 22)

Before we go out, we must promise ourselves to spend lots of time heating ourselves in the mirror, looking to baste in the sinful vanity of the sun sign!

GROOMING KIT
\$22.95

SCORPIO the scorpion

(October 23 - November 21)

It's been a lousy month of stalemates in communication. Actions speak louder than words when it comes to probing others for satisfying emotional results.

LICKETY SPLIT
\$49.99

PISCES the fishes

(February 19 - March 20) Of course you lack a lot of discipline this month! The Sun should help a little with that on the 18th, as he will enter Pisces. What little disciplines you use will be managed by your creative endeavors, because you've already painted everyone else, including your partner, with a lot of responsibilities. Clear the palate and paint each other some steamy, uninhibited evenings this month!

BODY TALK CHOCOLATE TATTOO SET
\$19.99

GEMINI the twins

(May 21 - June 21)

Staying in for Valentine's seems more ideal. Mercury says you need a break from social settings, but keep in costume to thrill the one you're with!

CUPID BUNDLE
\$49.95

VIRGO the virgin

(August 23 - September 22)

You suffer Mercury's wrath via communication breakdown. To avoid upsetting your lover by telling them exactly how they went wrong throughout the course of the night, I recommend this as a starter for the nights festivities. Partners not included.

ROMANTIC MASSAGE KIT FOR DUMMIES
\$19.99

SAGITTARIUS the archer

(November 22 - December 21)

The Sun heats up your ruling planet this month, and leaves you boiling in your our creative juices! Hang around the house more often and put your creativity to good use on the 14th!

LOVE SWING HARNESS (HANGABLE)
\$159.99

ARIES the ram

(March 21 - April 19)

Mars is in charge, and charge you must! Your impulsive nature to be the boss could do well with a little lesson in manner-speak, as to avoid unnecessary boundary issues.

WHIPSMART
\$49.99

CANCER the crab

(June 22 - July 22)

It's Valentine's Day. You won't go out ... no wait ... you don't want to stay in either. The Moon was in Pisces earlier this month, and you imagined it leaving a self-deprecating blow below the belt, and straight to your ego.

HEART-SHAPED PADDLE
\$59.99

LIBRA the scales

(September 23 - October 22)

Your flirty persona really pays off this month! Surprised? Not really, because you know everyone thinks you are sex on wheels! Now is the time to surprise others with your dirty secrets!

DEVINE TOY BOX
\$49.99

CAPRICORN the goat

(December 22 - January 19)

Feeling repressed? Saturn does some quirky things with Neptune this month, so you'd rather hang up the horse

tether in preference to something you can fit snugly under your pajamas.

VEGGIE LEATHER HARNESS
\$49.99
